

## **Overland MTB Club Mtg. notes: 6/14/2010**

- In attendance:** Kory Swanson, Ron Chambers, Josh Shafer, Bill Heisterman, Corey Rhodes, Kevin Cullen
- Tour de Fat:** Ron met with Mike Craft at New Belgium and discussed TdF funds. We need to figure out how to promote ourselves w/in New Belgium. Maybe a PowerPoint, a presentation at a staff meeting? Get Mike a list of all the things we've done. We talked at length about this. We believe our grant process works well. We believe that there are some creative ways to make more money for the other non-profits.
- Jerseys:** Kory's taking care of the jerseys. We'll put in a larger order and run with it. At the next meeting, we can have pass out order forms for shorts/gloves/jackets.
- Biz Memberships:** We are in agreement that we'd like to do business memberships. This is in response to the Peloton bike shop joining as a household. Ron will write up a proposal and talk to Peloton.
- Skills Clinics:** Skills Clinics are pretty well set. We need to get them linked to the calendar because they aren't right now. County is requiring a permit application for a special permit. Corey's a little swamped but will get it done and with a smile.
- Friends of Lory:** Friends of Lory will be rescheduled and handled by the Trail Team.
- Awards-Next mtg:** We owe John Tipton an award from the last meeting and Jim Fu. Doug Cutter/Steve Lacey for organizing Bobcat Trail days. Don Henshaw for fixing up someone's knee. Ron will get a bunch of \$25.00 gift certs for awards. Next meeting: a Forest Service award for the month of July and an incentive for people who do more than X amount of rides per year.
- Supplies:** Patch kits are in. Socks are in. Stickers are in. Water bottles are in. We need brochures. (Who has this file?)
- Event Sign-up:** We need to simplify the sign-ups. After much discussion, we will put a link on the public sign-ups to the member side of the website and people can login and get their points.
- Website:** Kevin and Kory will work and get the new site up and running. We'll launch the new one the evening before the next meeting.

**Grants:** USFS Grant – Cash for food for the event up in Redfeather in September. Ron will talk to Kristy and ask some questions about visibility. We'll table our USFS decision. The Larimer County Search and Rescue MTB Patrol grant was approved.

**RIDE Publication:** We need to talk to D.K. about getting mountain biking into the Ride publication.

**Registration-Constant Contact:** Kory will look into this for the men's beginner skills clinic to try it out.

**Next Meeting:** July 19th – Next Meeting: Kevin's House. 6:30 p.m.
