

August Patrol committee meeting

Date: August 23, 2018

Present: Nick Bacon, Kenny Bearden, Deb Eberling, Sue Dukart

Agenda

- 1) Tour de Fat- 3 volunteers so far signed up. Sue, Hal and Todd. Kenny said he and Aggie would most likely be there. Deb also said she'd probably be there.

- 2) Patrol Logging system update from Pete- he is still playing phone tag with the person from the county that does their reporting system. We discussed how this update is basically a temporary patch since the current reporting system is outdated. Kenny suggested that we try to get money from the Larimer County grant appropriated for updating the patrol reporting system to a better system that is up to date and compatible with the county and city reporting systems.

- 3) Patrol first aid supplies in need of restocking. Kenny will get Sue the contact information for Marie Walsh from Kaiser/ OMBC board member to see if Kaiser can give us a discount on first aid supplies. Supplies needed: non-sterile exam gloves, butterfly closures, athletic tape, cloth surgical tape, knuckle bandages, triangle bandages.

- 4) Tooth or Consequences patrol coverage. Pre-ride does not need to be done by a certified patroller. Race starts at 8:00 am.

- 5) Larimer County Grant application: Kenny is working on this, it is due the end of next week. We are going to request funds for first aid and mechanical supplies, trainings, patrol radios, and updating the patrol logging system.

- 6) Patrol logs update; 87 patrols logged this season. End of season volunteer party will recognize top patrollers from each month and active volunteers for patrol events.

- 7) Next Patrol meeting will be Thursday September 27 th 6-8 pm at the Gilded Goat. This meeting will be open to the whole patrol group to try to recruit new committee members for next year.
