

## **Overland MTB Club Mtg. notes: 02/23/2011**

**In attendance:** Kory Swanson, Ron Chambers, Bill Heisterman, Todd Thibodeau, John Arguello, Pete Skram, Karen Kaminski, John Hughes

**Jerseys:** Patrol jersey – do we need to add logos to jersey? Do we want to add Diamond Peaks name somewhere more prominently? Bill's going to check w/the Land Agencies on whether they want logos.

**TdF Funding:** Ron and Barb recently met with Mike Craft re: TdF. Ron discussed the overall idea that we'll manage the tour and co-mingle volunteers from the Bike Co-op in order to share some of the proceeds. Concerns were voiced about the number of volunteers the Co-op can produce. Ron seemed positive about giving the Co-op a 3<sup>rd</sup> of the volunteers. Mike Craft will give us some more info after some discussions with the Co-op. We want some sort of a written understanding as to who would be responsible for what.

**Meeting Space:** Where are we going to meet? Pete suggested a place by Rigden Farm. Club Tico is not available due to classes. Kory's going to meet with Will from Road 34. The Grange on Mulberry may be an option. CB Potts may be an option.

**Kick-Off Meeting:** We discussed marketing for the kick-off. Posters are at the bike shops.  
Agenda:

1. Pizza/Beer
2. Ice Breaker/Fish bowl – contact
3. Who we are
4. What we do in the community
5. Patrol
6. We want you as members

We need to have a membership table. Pete will talk to Tamene about Membership Committee. We'll have a calendar of events available to pass out to everyone and have a final slide that stays up for people to see. Todd will bring a back-up projector and speakers. Send email to members to wear a t-shirt or a jersey.

**Chugwater:** Todd recommended he contact the Cheyenne Cycling Club. Chris is the person to contact. Pete will contact him also.

**Urban Assault:** Ron will sign the form, scan it and send it to me. I'll pass it on to Tee at Adventure Fit.

- Race Update:** Race looks pretty good. We'll know tomorrow whether or not if the county will approve it. PVHS has reached out to us to be a sponsor.
- Stone Temple 8:** This may be an option for us to take over. We'll have to see what happens.
- Audit:** Ron has the last of the receipts sorted out and is working to get stuff to Karen so that we can move forward with it. Todd's recommending that we pay to have a full audit done. Ron will get everything organized this weekend. Pete will talk to Judy Skram to see what we need to do. Todd, Karen, and Ron will meet in the next month to review all of the receipts. Do we need to have an "Event Sheet" or something like that in order to track the finances for specific events. Also, we need to let our members know where our money is going.
- Trail Symposium:** All land managers in the region who have trails made it to the meeting aside from the City of Loveland. The entire discussion seemed to go very positive and the discussion turned into a regional view. Todd wants ideas from us in order to think regionally. The link to the trail website Kory was talking about is: [www.socalmtb.com](http://www.socalmtb.com).
- IMBA Visit:** (Fill in your notes... We need to figure out a project...)
- Hewlett Gulch:** A training day will be held in June for 4 Overland members at a cost of \$25 a piece. Wilderness Restoration is heading this up. It looks like we'll be impacted minimally. They would like us to have a couple of Crew leaders for trail days.
- Take a Kid:** We're going to combine our energies with SOS at Curt Gowdy. June 4<sup>th</sup>.
