

Overland MTB Club Mtg. notes: 10/5/09

In attendance: Barb Allan, Kory Swanson, Ron Chambers, Josh Shafer, Rob Foster, Todd Thibodeau, Bill Heisterman

- Welcome to our new Board members, Bill Heisterman and Todd Thibodeau
- Take a Kid Mountain Biking Day was a great success. Overall we had great responses from parents, the press, etc. regarding the event.
- Trail Stuff from Rob:
 - Pineridge Report: Rob's been working on figuring out where to put signs in. Where do we want to put entry signs? Rob would like to look at Rustler's Loop pics again. Do we want the signs to be facing clockwise? Counter-clockwise? Clockwise seems best. Once Rob gets the plan done, he'll contact Jim Miller and/or Kristin Powell to discuss the proposals.
 - Netcairns: Rob discussed checking into mapping trails in the area that are accessible via the interweb. It may not hurt to contact the land agencies to find out what type of information they have to share. We can check with the CSU Trail Mapping group too. We can also send a message to folks about adding info to Netcairns because it's a wiki page.
- Minute review from previous minutes: Kory gave an update on the Chamber class. The SMART Fair was a good day. Rob and Kory and Laurie Baeten worked the tent that day. Club socks are ready to go for the cross series and to sell to club members. Coloring books are leftover and we can use for another event. Group Ride policy is still in the works. TDF invoice came in. The invoice was \$14,700 for a whole lotta kegs. Ron poured a lot of beer that day and was surprised that there was an IPA available. Barb's still working w/NBB on getting a report together for the city clerk. We netted roughly \$57-58k after expenses. Ron sent out a report to the board before tonight's meeting.
- The Crankin' Contest will go ahead as long as the weather is good. Ron will bring fire pit, non-alcoholic drinks, chips and wood. Kory's got the rest covered.
- End of Season Finale – Awards: Top points – Silver sprocket- (Joe or Pete) Patrol points – (Pete or Joe)(new award – keep thinking of something), Extreme Extrovert Award – (non-patrol points) Rookie of the Year- (Monty, Pete, Joe) Crash Award - (Doug Baker), Trail Day Award - ??? Lifetime Achievement Awards – Ron Splittgerber and Tim Gaines, Recognition of members who have been around a decade? Pizza for 50 people. And yes, we will be doing the Costume Cruise! And Barb's going.
- Next Board Meeting – What roles will people play? Ron Chambers expressed interest in taking over the role as president. We have to look at creating a set of responsibilities for each role and spreading around.
