

Mtg. notes: (7/2/08)

Barb, Doug, Ron C, Tami, Laurie, Kory (way late loser)...

- Reimbursement form – Treasurer needed. Looking at getting people reimbursed in a more timely manner. Will have a discussion w/Ron S. re: protocol, etc. Doug suggested putting them on an envelope to make it easier for people to request reimbursement.
- New tent frame is in order. The current frame is broken. Is there a more durable frame?
- Grant application: USFS for Kristy W.
- Coordinate alternate lines on Ginny Trail – Greg met with City of Fort Collins. Also, some talk has begun regarding being able to loop Ginny w/another singletrack instead of having to ride the powerlines trail.
- Web is close to being done. Chris and Kory meet w/the designers on Thursday.
- Kory gave a brief description of the Cub Scouts.
- Discussed Community ride stuff, etc.
- Rides listed on city website w/DK.
- Dash for the Cache – 8 patrollers and only 4 or 5 teams. A bit disorganized. Teams had fun. They may do another around Halloween. Got some people interested in the patrol.
- Good host training – can we do another one w/Kristy?
- Talking to Greg about Spring Canyon Bike Park. Some sort of inspection form for the bike park. Maintenance stuff for the park. How do we flag stuff when it's broken?
- How are we looking at long term growth and planning? Do we have a 1 year plan? 2 year? 5 year?
- Bike Fort Collins – grant \$\$ has been available - no one has applied for it. We can earmark \$\$ for it. They can work the parade, etc.

Wed. August 6th – Board meeting @ Kory's house.
