

## Patrol Committee Meeting Minutes - 4/7/14

Location: Coopersmith's Pub

Attendees: Kenny Bearden, Pete Skram, James Neal, Thuan Nguyen, Bill Heistermann

### Topics of discussion:

- First Aid/CPR discussion - refresher course is full, no additional sign ups available; still trying to find location for full FA/CPR class

- Combined Good Host training for USFS and City of Ft Collins is scheduled for 4/9/14 - at least 30 people have signed up

- Larimer County outreach day scheduled for 4/26 in conjunction with the trail day; Kenny to follow up with Doug Baker to coordinate planning and food; outreach portion will be open to all club members, not just patrol

- McKee Classic - we need a minimum of 12 riders, ideally 16-18; Kenny will be out of town for this event so we need another committee member to take the lead for this event; Kenny to email patrol group for volunteers; Pete to open online sign up for 20 volunteers

- Patrol Training Picnic - Sun 5/4 - Kenny to follow up with Jeff Nye about doing mechanical presentation; Kenny will follow up with Bill if Jeff is not available; PWV Horse Patrol - Kenny to follow up with Larry Butterfield for contact info; will ask Tim Gaines to do lightening safety presentation; we will use new grill for food instead of catering to reduce costs; committee to come up with trail scenarios; talk to Rob Collett about doing PVH Bike EMS talk; discussion of and hands on use of USFS radios and SPOT devices; "how-to" on completing patrol reports; possibly have another patrol committee meeting prior to event to ensure we are good-to-go

- Patrol committee follow-up with newcomers - what is best process??? ...group ride invites, personal follow up with each individually???. Patrol Google Group is now over 80 people; reach out to past patrollers to help take newcomers on "intro" patrol rides

- Pete to send out Google Group ride invite for Sat 4/12 at Blue Sky trailhead

Meeting adjourned.
